INTRODUCTION

This is a manual specifying requirements and general instructions for conducting Southwest Division (SWD) sponsored bowls tournaments.

Its purpose is to describe all sanctioned SWD-sponsored bowls tournaments, and to specify game and award formulae for these events. Thus, it serves as a manual and a ready reference for all tournament directors.

Upon request, the Tournament Chair and the Tournament Committee members are available to the clubs for assistance with the design and organization of any club-level tournament. However, they, or the SWD Delegate Assembly, cannot otherwise direct or interfere with a club invitational tournament.

All SWD-sponsored tournaments and their play/award specifications described herein are approved by the SWD Delegate Assembly. The SWD Tournament Committee shall conduct each sponsored tournament in accordance with the formats set forth in this manual.

The SWD Tournament Committee Chair may, from time to time, propose one or more additional events or revisions to existing tournament specifications to be instituted on a trial basis for one tournament season with the approval of the SWD Delegate Assembly. Should the trial revision(s) prove successful and appropriate, the revisions must be formally proposed to the Delegate Assembly for approval and permanent revision to this manual.

The Tournament Committee Chair will attempt to schedule SWD-sponsored tournaments for the ensuing year in coordination with club invitational events and include these club tournaments in our printed SWD annual schedule.

The Tournament Committee Chair will present the proposed consolidated annual tournament schedule for approval at the SWD Annual General Meeting (AGM). This is an opportunity for resolving any remaining conflicts and making any required changes. After approval, the SWD will distribute the consolidated schedule to the clubs. It will also be published in the annual SWD Yearbook and Directory of Clubs.

The current (outgoing) Tournament Committee Chair is to assume responsibility for sending out all announcements (entry forms) for tournaments to be held within five (5) weeks of the AGM.

DEFINITIONS

Australian Scoring: Also referred to as Quinell scoring. This system places a premium on ends won. It was developed for short game (e.g., 8 ends), but has also been used for standard-length games. Its specific instructions are:

- (1) Keep score on a standard scorecard as usual
- (2) Award 3 points for a game win. Plus points are not counted.
- (3) Award 1-1/2 points for a game tie.
- (4) Award 1 point for each end won.
- (5) Total all points, highest total wins.

Total points per game must be equal to the number of ends +3. (An 8-end game has 11 points to be divided between the two teams.) With this system, it is entirely possible for a team to lose a game but win on points (ends won).

Blind Draw: On the opening day of a competition the players draw a scorecard to find out who their opponents are.

Bowls USA: National organization (formerly USLBA; new name adopted 2012)

Breaking Ties: In all SWD-sponsored events ties will be broken as follows:

- (1) Head-to-head result, if any
- (2) Fewest opponents' points allowed
- (3) Most ends won
- (4) One end roll-off

Bye: A game not played that is considered a win when the number of tournament entrants is uneven or in the event of a no-show. A team receives a bye by blind draw. If plus points are scored, the team receiving the bye shall be awarded the average number of plus points scored in all of the games played during that round, rounded to the nearest tenth of a point.

Cash Award Pool: The total entry fees less expenses for a given tournament See page 39 for formula.

Closed Tournament: A tournament that is open to SWD bowlers only; e.g., the National Championships Playdowns.

Double Elimination: A format wherein each contestant must be beaten twice to be eliminated from the competition.

Final: The last match or round that determines the winner of any event. It is customary to allow for a longer game in the final, i.e., a tournament of 12 ends or 15 points with a final of 15 ends or 18 points.

Flight System: A tournament format where all teams start in the championship flight. With each loss, the team falls into a different flight or is eliminated.

Home Club: The club identified as the SWD home club upon the payment of SWD dues. Only one club may be designated, and the member must be a full member of that club.

Knockout: See Single Elimination.

Mixed Team: A team consisting of at least one man and at least one woman.

Mixed Tournament: A tournament wherein all entering teams must have at least one man and at least one woman.

Novice Player: A bowler who has joined a lawn bowling club for the first time ever regardless of jurisdiction, less than two years before the scheduled event. (Note: The winner of the Novice Singles is not eligible to play in the following year's Novice Singles tournament.)

Pennant System: A tournament format wherein all entries are divided into pennants (groups or sections), and the teams in the pennant play a round robin to determine the winner of their pennant. This may involve seeding.

Perpetual Trophy: Trophy awarded to the winning team of an event; to be returned to the Tournament Chair prior to the same event the following year.

Playdown: Preliminary games in an event to reduce the competition to a manageable field that would compete in that event's finals or a subsequent event.

Playoff: A match or matches between or among the teams that qualified in the playdown. (See Final) Play-down

Plus Points: The number of points the winner of a game scores over the loser. Normally, the limit set on the point difference score is +/- 10 points, but this will vary given the length of each individual match. This limitation is used to prevent a runaway game or a weak team from influencing the outcome of the tournament. Note that if plus points are limited to 10, minus points are also limited to 10.

Points Tournaments: Selected annual tournaments provide points used for determination of Team Southwest. All participants in these points tournaments must be a member in good standing of Bowls USA.

Prize Pool: See Cash Award Pool

Quinnell Scoring: See Australian Scoring

Recognized Club: Any club affiliated with World Bowls, Bowls USA, and/or the Southwest Division.

Round Robin: A format whereby each team plays every other team in an event to determine the winner. The number of games required for a round robin is one less than the number of entries when that number is even. With an uneven number of entries, the number of games is the same but each team will have a bye.

Seeding by Ability: Seeding by ability attempts to match better bowlers against those of lesser ability in an attempt to avoid top bowlers from meeting each other in the early round(s) of an event. Seeding shall be performed by the Tournament Committee.

Seeding Geographically: Geographic seeding assures that members of the same club, or geographical area, do not meet each other in the early round(s) of an event. For example, teams from the same club are assigned odd team numbers and would draw rink assignments separately against teams assigned even numbers.

Shot Percentage: A team's points scored are divided by the total points scored for and against the team throughout the tournament. The highest percentage wins.

Side: Any agreed number of teams or singles players (or a combination of teams and singles players) whose combined scores decide the result of a competition.

Single Elimination: A tournament flight system (bracket) format wherein each team is eliminated from the competition after their first loss.

Team: One entry, whether singles, pairs, triples, or fours.

Team Southwest: An honorary annual recognition of the top ten men and top ten women players who accumulate the most points in the specified points tournaments.

Tiebreaker: See Breaking Ties.

Two-Flight Elimination: First game determines flight. Winner plays in Championship Flight and loser plays in Second Flight. Knockout system applies after the first game.

USLBA: United States Lawn Bowling Association, now known as Bowls USA (name adopted in 2012).

WTPP (Win, Tie, Plus Points): A scoring method for tournaments not formatted in the winner vs. winner concept. Win = 3 points, Tie = 1 point, Loss = 0 points, and the Plus Point differential.

GENERAL INSTRUCTIONS

The SWD Tournament Chair shall assign responsibility for direction of SWD-sponsored tournaments to the SWD Men's and Women's Tournament Chairs, respectively, who shall assign Tournament Directors for each tournament. The Tournament director shall plan, direct and/or oversee the tournament, to include:

Posting event flyers on the SWD website.

Tournament entries shall close one (1) week prior to the event. No refunds are given after this date for withdrawals.

How to deal with an odd number of entries:

Men's events there will be a bye

Women's events will seek additional teams to create even teams

Implementing the plan prescribed for the assigned tournament

Assuring club logistics support; notifying host club of tournament requirements, including number of rinks and entrant count

Making readily and centrally available all umpire accessories and advising the players where they are located.

Maintaining a score chart and/or playdown bracket chart

Presenting awards, taking pictures of the winning team, and reporting place winners to the Tournament Chair and to the SWD Tournament Chair.

If the Tournament Director chooses to compete in a tournament, arrangements may be made for a qualified assistant to maintain the charts during play.

A Tournament Director is the final authority regarding any decision on tournament format and special rules during the event. Any change in specified tournament rules (e.g., number of ends of time limitations) due to local conditions or other considerations must be announced prior to the start of the event/day of play. Any challenge to the Tournament Director's decision may be appealed to the SWD Executive Board in writing.

Approximately 15 minutes prior to the start of play, the Tournament Director shall assemble all of the competitors for the purpose of:

Conducting the flag salute

Introducing any dignitaries

Acknowledging the prior year's winner(s)

Thanking support staff (hospitality, greens manager, other volunteers)

Announcing specific game instructions and the Conditions of Play

Identifying the presiding National Umpire and all other National Umpires

Specifying any local club ground rules; i.e., smoking area

Practice time may be allowed (prior to the start of play and the pre-game assembly) on any rink running at right angles to the designated game rinks. Each event will indicate if practice is available. Competitors should be courteous and prudent in their selection of a practice rink, taking care to avoid a busy rink and to make a request for joining in,

The dress code for all division and national tournaments shall be as specified in the Laws of the Sport of Bowls or as otherwise dictated by the SWD Delegate Assembly (see below).

The Tournament Director must contact the president of the club designated as the venue for a tournament sufficiently in advance of the tournament date to determine if the green(s) will be playable for the event. Should the green(s) be considered not playable, the SWD Tournament Committee will vote to determine whether to make arrangements for an alternate venue or reschedule the tournament.

The current edition of the Laws of the Sport of Bowls shall govern ALL tournament play. Any local club ground rules affecting play should be announced at the opening of the event or published in advance.

All competitors should be reminded that game etiquette is to be observed.

Tournament entry qualification as stated in the tournament specification can, if questioned, be verified by the Tournament Director prior to acceptance into the tournament.

Late arrivals will be penalized one (1) point for each ten (10) minutes from the end of the trial ends, or fraction thereof, and will count as an end played. Thirty (30) minutes delay constitutes a forfeiture of the game. Such penalties may be waived by the Tournament Director due to extenuating circumstances.

Any player who withdraws from play prior to completion of an event without due cause will be disciplined by suspension from entry in the next two SWD-sponsored tournaments and the same tournament in the following year. Completion of an event includes completing second-day play in tournaments of more than one day duration, such as the Murray-Allison and Cary-MacDonald tournaments. Such penalty may be waived by the Tournament Director due to extenuating circumstances. If two teams are playing a meaningless game at the end of any event, they may be excused with permission. The director will verify that the results of this game could not affect the outcome of the tournament. The SWD Ethics Committee shall rule on all infractions, penalties or complaints.

In the event that a complete team winning an elimination or playdown event cannot continue as

a team, Bowls USA substitution laws will apply. If a team is unable to continue due to substitution laws the next complete team in order of finish shall continue.

Game results shall be as recorded on a scorecard turned in to the Official Recorder with the signatures of both skips or singles players.

The Tournament Director shall retain the right to, mid-tournament, change the time rules that affect all or any match in order to speed up a game or the tournament.

Tournament Directors shall make a point of acknowledging winners of the prior SWD event at the first day of the tournament.

TOURNAMENT UMPIRE

Each SWD-sponsored tournament should designate a certified umpire to oversee conduct of the event and respond to any request for a law interpretation or application made by a competitor in the event. In the event a certified umpire is not available, the Tournament Director must enlist a senior SWD member who, in the Tournament Director's judgment, has sufficient tournament experience, laws knowledge, and objectivity to act as the event umpire. The Tournament Director must identify the event umpire in the opening announcements. The event umpire may or may not participate in the event.

A current list of certified umpires is available from the SWD Head Division Umpire who is listed in the SWD Yearbook and Directory of Clubs.

TOURNAMENT FINANCIALS

It is the responsibility of the Tournament Committee Chair to collect and account for all tournament entry fees, specify the Cash Award Pool for each tournament, and prepare Tournament Financial reports. However, this responsibility may be delegated to a Tournament Committee member as appropriate.

The Tournament Committee shall maintain an account as appropriate to accommodate the deposit of entry fees and disbursement of funds for tournament expenses.

The Cash Award Pool for each tournament will be derived by deducting cost elements from the total entry fees collected as follows:

Total entry fees less:

Hospitality fee paid to the host club at \$3.50 per entrant per day*

Host club greens fee use of \$50 per day per green or \$2.00 per person per day, whichever is

greater

Estimate of the tournament expense at seven percent (7%) times total**

Costs associated with online entries

Equals the Cash Award Pool

*Hospitality includes beverage service, breakfast rolls, salads, and chips

**Tournament Expense is estimated because actual expenses are normally accounted for later and may include items such as:

Bowls advertising

Preparation and printing of announcement flyers

Postage for distribution of flyers

Gamemaster fee, if appropriate, including lodging if required

Telephone charges

Other miscellaneous expense

The Southwest Tournament Committee Treasurer must prepare a financial report for each SWD-sponsored tournament, and a cumulative one for all tournaments, to be submitted to the SWD Delegate Assembly for acceptance. To the extent that the actual tournament expenses are greater or less than the estimate used to derive the Cash Award Pool, a specific tournament could turn in a profit or loss. Any profit will be held in reserve to absorb any future loss.

At the end of the year a final accounting shall be prepared. It is anticipated that the Tournament treasury shall have between \$2,000 and \$2,500. If the retained sums are in excess of \$3,500, then the excess shall be divided amongst multiple tournaments to be determined by the Tournament Committee. That amount shall be added to the following year's Cash Award Pool for those tournaments.

DRESS CODE

Teams may wear white, colored or patterned shirts with sleeves and pointed collar (no T-shirts). It is preferred that teams wear the same color of bottom attire.

Players, umpires and markers must wear flat-soled (heel-less) footwear when they play on the greens or act as umpires or markers.

If the Tournament Director determines that a player and/or team is in violation of the Dress Code, the player and/or team will be notified by the Tournament Director, advised of the specific issue, and a request made to the player to abide by the Dress Code as written at future division-sanctioned tournaments. Any such warning shall be reported to the SWD Tournament Committee and may result in disqualification from a future day/tournament.

Refer to Laws of the Sport of Bowls, current edition, under Dress Code for the US Open and other tournaments sponsored by Bowls USA.

MURRAY-ALLISON SINGLES

Summary: A two-day singles event named in recognition of Frank D. Murray, SWLBA President in 1957, and William Allison, SWLBA President in 1967. The outcome of the first game places entrants into either the Murray (championship) flight or the Allison (consolation) flight. A challenge flight has been added for all bowlers who lose their second game in either the Murray or Allison flights.

Event Duration: Two consecutive days

Entry Qualification: Open to male members in good standing of a lawn bowling club approved by the SWD, Bowls USA, or World Bowls

Maximum Number of Entries: Unlimited

Format: Three-flight single elimination. First game qualifying. Winner stays in Murray flight, loser goes to Allison flight. Losers of any game after the second game of day 1 are eliminated (until the championships where players will play off for third and fourth in each flight).

There will be a single elimination Challenge flight for those bowlers who lose their second game in the Murray or Allison flights. Murray losers will play the Allison losers in the Challenge flight.

Because of the format, byes in the first round should be avoided at all cost. To eliminate the possibility of an odd number of entries, the host club should provide one standby player who will play without entry fee, if called upon.

18-point playoff for 3rd place in the Murray and Allison flights.

SWD OPEN

The SWD Open is a series of three separate two-day tournaments – Fours, Pairs, Singles – played over six consecutive days. Open to male members in good standing of a SWD member club or members of clubs affiliated with Bowls USA or World Bowls. It is an opportunity to meet and perhaps compete with top division bowlers, bowlers from other U.S. clubs, and bowlers from other countries.

The flight format shall be determined by the number of entries in each event. The chart herein will identify which flight system shall relate to the number of entries; however, the Tournament Committee has the final decision. Additionally, for some number of entries, the last team to enter shall be placed on a waiting list in order to maintain a feasible number of entries in the tournament and, whenever possible, to prevent byes.

At the discretion of the Tournament committee, either a Traditional or Day One qualifier format will be used as described below:

Traditional:

See chart for number of flights.

Blind draw for first round of matches. Scorecards marked in advance with first round team/rink assignments;

Winners and losers move into a multi-flight bracket playdown that results in a 4-place championship flight, and four first and second place subordinate flights.

Championship flight final: 16-end game

All other flight finals: 14-end games for preliminary rounds and flight finals.

16-end finals (first and second place in Championship flight only)

First Day Qualifier:

Day 1: Three blind draw games

Day 2: Teams will be placed into 8-team flights based upon their overall WTPP standings (ties stand).

If more than 8 undefeated teams, the first flight teams shall be determined by a playoff described below. All other ties shall be broken first with method described in Breaking Ties (see Definitions), and then, if necessary, by shot percentage. If a tie still exists, the team shall play until one team wins 2 ends, points shall not matter. All teams will qualify for the second day of play except, up to 7, which would not fit into a full flight of 8 teams.

Undefeated Teams Tiebreaker (First Day Qualifier):

If needed, the following tiebreaker system will be used to determine the teams that qualify for the championship flight. If there are 9 undefeated teams, the the bottom 4, based upon WTPP, shall go into a tiebreaker. The tiebreaker shall begin 10 minutes after the Tournament Director has determined which teams shall be involved. Any team not present to begin on time shall forfeit that round after 10 minutes have elapsed. A forfeit fore that same team shall be declared for any subsequent round as soon as their opposition has been determined. Each round shall be played until one team has won 2 ends, points do not matter. Losers of each round shall advance until the requisite number of teams remain which need to be eliminated. All eliminated teams are dropped to the third flight.
